

OPERA HOUSE

THEATER & PERFORMING ARTS CENTER - NEWPORT, RI

Take Your Seat In Newport History !

* Dedicate one of the elegant new seats in the Opera House Theater to honor a special friend or loved one. Relive special memories at the Opera House – that first date, a favorite movie, an unforgettable performance. The name of your choice will be permanently inscribed on a nameplate and affixed to a seat in the orchestra level or balcony section of the theater.

The Opera House seats are hand-crafted and feature plush cushions, rich upholstery, wood backs, scrolled armrests and replicas of the original cast-iron end standards.

Your tax-deductible contribution will be a lasting tribute to your support of the Newport Opera House Theater and Performing Arts Center. All contributions will be used to restore the Opera House Theater and to set the stage for Opening Night in December 2017 to celebrate the 150th anniversary of the original opening of the Opera House Theater in 1867.

Limited number of seat nameplates available.

I am making this contribution to the Opera House Theater with no expectation of any special privilege. I understand that "naming" a seat in the Opera House Theater does not guarantee priority seating to any events in the Opera House, nor does it guarantee that I or any select individual may actually sit in that seat.
